PLANRight

Plan today... so your family doesn't have to in the future

All of us will likely have to face the death of a close family member at some time in our lives. Perhaps you already have – and the painful memories are still there. In addition to grieving the loss and settling your loved one's estate, there is also the immediate concern over funeral costs and how to pay for them. It's a heavy weight to carry for surviving loved ones.

Many of us never think about how our family will pay for our funeral. The cost may surprise you. According to the National Funeral Directors Association, the average cost of a funeral in 2006 was \$7,323. And, this cost does not include the cemetery plot, monument, flowers, obituary or other cash expenses, which could push the cost well over \$10,000.

Why burden your family with these costs at a time when they already have many other concerns? With Foresters PlanRight insurance you can help reduce the worry your family will experience when you die by putting the money in place, so that it's available when they need it most.

Access the cash value

Access the cash value in times of need by borrowing or using the cash value as collateral for a loan⁵.

Tax advantages

Your beneficiary will generally not owe any income taxes on the benefit.

Extra protection

The Accidental Death Rider can be added, at an extra cost, on PlanRight certificates with a Level death benefit. The rider pays an additional death benefit in the case of accidental death. For Graded and Modified plans, 100% of the face amount is paid out if accidental death occurs in the first two years. There is no additional premium for this coverage. All PlanRight certificates include a Common Carrier Accidental Death Rider that pays an additional death benefit (up to twice the face amount) at no extra premium, if the insured dies due to an accidental bodily injury that occurred on a common carrier while a fare-paying passenger.

Applying is easy

Just complete a simple and easy-to-understand application and personal health interview. No medical examinations are required. Remember, the younger and healthier you are, the lower your insurance premiums. What better reason is there to apply today?

Ask your life insurance representative how Foresters PlanRight can work for you.
